

Timeline of Education and Work Experience

Dear Visa Officer,

I am writing this letter to provide you with a clear timeline of my academic and professional background for my visa interview. Here is a breakup of my timeline:

- **July 2016 - October 2020:** Completed my Bachelors of Technology degree in Computer Science and Engineering from D.K.T.E Society's Textile & Engineering Institute in Ichalkaranji, Maharashtra, India.
- **November 2020 - July 2021:** Worked at Rheal Software in Pune as a Junior Software Developer. During this time, I worked on the development of Healthcare Management System and Online Court System using C#, JavaScript, and MVC framework.
- **September 2021 - August 2022:** Worked as a Full-stack Developer at E-venu Computer in Sangli. During this time, I developed a product-supply chain system using python, Node.js, React.js, and MongoDB framework. I also implemented server optimizing techniques and web speed optimization, compression using GZIP, caching, and database optimizations like data modeling & sizing memory.
- **October 2023 – June 2023(Current):** I have worked as Data scientist in Flairminds softwares, Pune. I have worked on machine learning projects using Natural Language Processing (NLP), Image recognition and computer vision. Along with Neural Network and Deep learning.

I hope this breakup provides a clear timeline of my education and work experience. I look forward to discussing this further in my upcoming visa interview.

Sincerely,

Rushikesh Desai
